How to access LCU’s Learning Express Database

Step 1:
Navigate to the LCU Library website. lib.lcu.edu

Step 2:
Click on any of the Research Guides listed on the center of the page.

Step 3:
In the Guide click the drop down menu under Find Articles and select Databases A to Z.

Step 4:
There are two ways to access Learning Express:
1. Select the link at the bottom of the page in the Learning Express box.
2. Click on Database by Title (L) and then on Learning Express Library link.

It is important that you see Lubbock Christian University in the top left corner.

Step 5:
If you have not created an account, click the Sign In/Register button and Register for an account.

If you have trouble accessing this database, contact the Library.
